

Espey Mfg. & Electronics Corp. Celebrates 85th Anniversary of Founding with NYSE Closing Bell

On Thursday, July 18 executives and guests of Espey Mfg. & Electronics Corp. (NYSE MKT: ESP), a Saratoga Springs, NY-based power electronics design and original equipment manufacturing (OEM) company engaged in developing and delivering products for use in military and industrial applications, visited the New York Stock Exchange (NYSE) to commemorate the company's 85th anniversary of founding.

To mark the occasion, Mark St. Pierre, President and CEO, joined by members of Espey Mfg. & Electronics Corp. leadership team, rang the NYSE Closing Bell.
