PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Espey Mfg. & Electronics Corp. (the "Company") for use in voting at the Annual Meeting of the Shareholders of the Company to be held at the Courtyard by Marriott, 11 Excelsior Ave., Saratoga Springs, New York, on November 30, 2012, at 9:00 a.m., Eastern Standard Time, and at any postponement or adjournment thereof, for the purposes set forth in the attached Notice of Meeting. It is anticipated that the Notice of Annual Meeting of Shareholders, this Proxy Statement and the form of proxy will be mailed on or about October 15, 2012.

VOTING AND REVOCABILITY OF PROXIES

Every properly dated, executed and returned proxy will be voted at the Annual Meeting in accordance with the instructions of the shareholder. If no specific instructions are given, the shares represented by such proxy will be voted (i) For the election of the Class A Directors nominated by the Board of Directors, and (ii) For ratification of the appointment of EFP Rotenberg LLP as the Company's independent public accountants for the fiscal year ending June 30, 2013. Any shareholder giving a proxy has the power to revoke it at any time prior to the voting thereof by voting in person at the Annual Meeting, by giving written notice to the Secretary prior to the Annual Meeting, or by signing and delivering a new proxy card bearing a later date.

The Company's only class of voting securities is its Common Stock, par value \$.33-1/3 per share (the "Common Stock"). Each share of Common Stock outstanding on the record date will be entitled to one vote on all matters. In accordance with the Company's By-Laws and applicable state law, the election of directors will be determined by a plurality of the votes cast by the holders of shares of Common Stock present and entitled to vote thereon, in person or by proxy, at the Annual Meeting. Shares present which are properly withheld as to voting with respect to any one or more nominees, and shares present with respect to which a broker indicates that it does not have authority to vote ("broker non-vote") will not be counted. Cumulative voting in connection with the election of directors is not permitted.

Please note that in accordance with rules of the New York State Stock Exchange governing brokers, the election of directors (Proposal No. 1) is a "non-discretionary" item. Shares which are held in a brokerage account as to which the broker does not receive instructions on how to vote with respect to this item may not be voted with respect to the proposal and those votes will be counted as "broker non-votes."

What are Broker Non-Votes? Broker non-votes are shares held in the street name by a broker that the broker has no discretionary authority to vote. Brokers do not have authority to vote on matters considered to be non-routine unless they have received instructions from the beneficial owners of the shares.

The affirmative vote of shares representing a majority of the votes cast by the holders of shares present and entitled to vote is required to approve the other matters to be voted on at the Annual Meeting. Shares which are voted to abstain and broker non-voters are not counted as votes cast on any matter to which they relate.

The By-Laws of the Company provide that the majority of the shares of the Common Stock of the Company issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum at the Annual Meeting. Shares, which are voted to abstain, are considered as present at the Annual Meeting for the purposes of determining a quorum. Broker non-votes are considered as present at the Annual Meeting for the purposes of determining a quorum.

RECORD DATE AND SHARE OWNERSHIP

Only holders of Common Stock of record on the books of the Company at the close of business on October 8, 2012, will be entitled to vote at the meeting. There were outstanding and entitled to vote on October 8, 2012, 2,325,743 shares of Common Stock.

PROPOSAL NO.1
ELECTION OF DIRECTORS

The Company's Certificate of Incorporation, as amended, provides that the Board of Directors shall consist of not less than three nor more than nine persons with the actual number determined in accordance with the Company's By-Laws. The Certificate of Incorporation further provides that there shall be three classes of directors (Class A, Class B and Class C) with overlapping three-year terms and that all classes shall be as nearly equal in number as possible.

Each of the nominees is presently a director of the Company. Should any of said nominees for Class A Directors become unavailable, which is not anticipated, the proxies named in the enclosed proxy will vote for the election of such other persons as the Board of Directors may recommend. BOARD OF DIRECTORS QUALIFICATIONS

The Board of Directors believes that with respect to current Board members, a demonstration of dedicated commitment to the responsibilities of a director is a leading criteria for assessing such person's qualifications for continued service on the Board. The Board will also consider a nominee's relationship to the Company and the following skill sets and experience in evaluating Board candidates: industry experience, corporate management experience, financial acumen, experience in international sales, mergers and acquisition experience and corporate governance experience.

The specific experiences, qualifications, attributes and skills of each of the nominees for director and the individuals continuing as directors are as follows:

Mr. Helmetag has a very strong business leadership, financial management and strategic planning background through his long career as a senior executive in several corporations. His personal experience in business development, economic conditions and financial issues is an invaluable resource for the Board on a myriad of matters it must consider from time to time.

Mr. Howard Pinsley's affiliation with the Company for his entire professional career and his long-term service as a senior executive officer provides him with intimate knowledge of every aspect of the Company's operations. His personal role in the development of the Company's product line and his personal contacts with relationship persons at the Company's domestic and international customers provide the Board with a vital resource in drawing upon the Company's historic strengths while considering initiatives for future growth and development of the Company's business.

Mr. Sabo's experience through his long career as a commercial, government contracts and personal injury litigation lawyer is an asset to the Audit Committee and the full Board in its evaluation of legal, operational and employment-related risks. His educational background in electrical engineering, his experience in patent and intellectual property law and his experience in insurance coverage matters is valuable to the Board's consideration of numerous issues pertaining to the Company's business.

Mr. Barry Pinsley was associated with the Company in various consulting and employment capacities for more than thirty-five years and assists the Board with his knowledge regarding the Company's product lines, operations and corporate culture as a small public company that evolved from a family-owned firm. In addition, his experience as a certified public accountant is an asset to the Board in its consideration of financial matters.

Mr. St. Pierre is the Company's President and Chief Executive Officer and through his day-to-day involvement in all aspects of the Company's operations provides a vital link between junior and senior management personnel and the general oversight and policy setting responsibilities of the Board. Among the reasons Mr. St. Pierre was hired in 2009 was his extensive experience in the power supply industry, new product development, marketing and engineering management, all of which is a substantial asset to the Board. Prior to being hired by the Company, Mr. St. Pierre was Vice President and Director, Merchant Market Segment of ITT Power Solutions and was responsible for management of this business unit of an ITT subsidiary which included supervision of research and development, design engineering, product engineering and sales / marketing, including management of technical personnel. During the period of his leadership of this business segment, annual sales increased from \$20 million to approximately \$100 million.

Mr. Corr's experience as a certified public accountant, investment advisor and professor of management and business at Skidmore College where he taught accounting theory, finance, and taxation brings strong financial skills to the Board and qualifies him as the Audit Committee financial expert and the person on the Board responsible for risk assessment oversight.

Mr. Wool is a business and tax lawyer with over thirty five years of experience advising a broad range of clients in a broad spectrum of business, tax, governmental, commercial, employment and transactional matters. He provides valuable insight to the Espey Board in its deliberations and consideration of strategic initiatives including potential business combinations and acquisitions, employee and executive compensation matters, corporate governance matters and other legal issues.

Under the policies of the Board, Directors are expected to attend regular Board meetings, Board committee meetings, as applicable, and the Annual Stockholder Meeting.

The Board has a standing Audit Committee whose members are Paul J. Corr, Chairman, Alvin O. Sabo and Carl Helmetag. The functions of this Committee include reviewing the engagement of the independent accountants, the scope and timing of the audit and any non-audit services to be rendered by the independent accountants, reviewing with the independent accountants and management the Company's policies and procedures with respect to internal auditing, accounting and financial controls, and reviewing the report of the independent accountants upon completion of its audit. The Board has a standing Nominating Committee whose members are Carl Helmetag, Chairman, Michael Wool, Alvin O. Sabo, and Paul J. Corr. The function of this Committee is to identify and recommend to the Board individuals for nomination to fill vacancies in, and for renomination to, positions as Directors of the Corporation. During fiscal year ended June 30, 2012, the Nominating Committee held two meetings and each Committee member attended the meetings.

The Board of Directors has a standing Compensation Committee whose members are Michael Wool, Chairman, Carl Helmetag and Barry Pinsley. The functions of this Committee include recommending to the full Board all compensation programs applicable to executive officers including salaries paid to executive officers, the compensation paid to non-employee directors and the grant of all forms of bonuses and stock-based compensation including to whom, and the time or times at which, options will be granted, the number of shares of common stock that underlie each option and the exercise price and vesting schedule for options granted pursuant to the Company's 2007 Stock Option and Restricted Stock Plan. During the fiscal year ended June 30, 2012, the Compensation Committee held five meetings and each Committee member attended such meetings.

Board Independence - The Board has determined that all of the members of the Audit Committee and the Nominating Committee meet the independence criteria for audit committee and nominating committee members as set forth in the listing standards of the NYSE MKT. The Board also has a Succession Committee, members of which are Paul J. Corr, Howard Pinsley, Alvin O. Sabo, Michael Wool and Mark St. Pierre and a Mergers and Acquisition Committee, members of which are Howard Pinsley, Barry Pinsley, Mark St. Pierre and Michael Wool.

Board Leadership - Effective February 28, 2010, Mr. Howard Pinsley resigned as Chief Executive Officer and Mr. St. Pierre was promoted to President and Chief Executive Officer. This completed a senior executive officer transition process which included the separation of the roles of Chairman of the Board and Principal Executive Officer of the Company. The Board of Directors has not designated an individual as the lead independent director. Rather, the Board will designate one of its independent directors to act as a lead on an ad hoc basis. For example, The Succession Committee was established for the purpose of overseeing the process of identifying a new Principal Executive Officer and the transition of executive responsibilities from Mr. Howard Pinsley to Mr.

St. Pierre over a period of a year, and evaluating Mr. Howard Pinsley's on-going services as a non-executive Chairman of the Board. Mr. Wool was designated as the lead independent director for this project.

Risk Oversight - The Board oversees the Company's processes to manage risk and has delegated the primary responsibility for reviewing policies with respect to risk assessment and risk management to the Audit Committee. Management is responsible for the development, implementation and maintenance of the risk management processes and is requested to report to the Audit Committee or the full Board periodically on its assessment of operational, financial and accounting, competitive, reputational and legal risks to the Company.

NON-EMPLOYEE DIRECTOR COMPENSATION

Company employees who also serve on the Company's Board of Directors do not receive director's fees. The non-employee Directors receive an annual fee of \$36,000 for being a member of the Board of Directors. Each Director who also serves as a member of the Audit Committee is compensated an additional annual fee of \$2,500 with the exception of the Chairman who is compensated an additional annual fee of \$5,000. Each Director who serves as a member of the Succession Committee, Compensation Committee or the Mergers and Acquisition Committee is compensated an additional \$2,500 for each committee. These fees are paid in monthly installments to the Directors.

The Board has adopted a Retired Director Compensation Program for the Directors of the Corporation. Under the plan, directors who have attained the age of 76 are required to retire from the Board, provided that retirement may be delayed until the end of the director's term. Directors who have retired shall be eligible to become a "director emeritus" for a maximum period of four (4) years. The actual term of a director emeritus shall be calculated on the basis of one quarter of a year for each year of service as a Board member. A director emeritus will have no vote, but will be expected to participate in meetings of the Board. If the director emeritus participates in at least 75% of the Board meetings during a calendar year, in person or by telephone, the director emeritus will be entitled to receive remuneration in the amount of the base annual director fee at the time of his or her retirement. In addition, a director emeritus will be entitled to participate in the Corporation's insurance programs offered to its employees.

An individual who has retired as a director but is an employee of the Corporation, or is otherwise receiving compensation from the Corporation under a severance contract or program will not be eligible for payment.

Pursuant to agreements between the Company and each of the non-executive Directors the benefit of the Retirement Program may not be modified without an individual Director's consent.

INSURANCE

The executive officers and directors of the Company can elect to be covered under the company-sponsored health plans, which do not discriminate in favor of the officers, or directors of the Company and which are available generally to all employees. In addition, the executive officers are covered under a group life plan, which does not discriminate, and is available to all employees.

The Company maintains insurance coverage, as authorized by Section 726 of the New York Business Corporation Law, providing for (a) reimbursement of the Company for payments it makes to indemnify officers and directors of the Company, and (b) payment on behalf of officers and directors of the Company for losses, costs and expenses incurred by such individuals in any actions.

EMPLOYEE RETIREMENT PLAN AND TRUST

Under the Company's ESOP, approved by the Board of Directors on June 2, 1989, effective July 1, 1988, all non-union employees of the Company, including the Company's executive officers and non-executive officers are eligible to participate. The ESOP is a non-contributory plan, which is designed to invest primarily in shares of common stock of the Company. Certain technical amendments not considered material were adopted effective as of June 10, 1994, July 1, 2003, and July 1, 2005.

Of the 454,588 shares of common stock of the Company allocated to participants of the ESOP as of June 30, 2012, 33,763 shares were allocated to Howard Pinsley, 1,610 shares were allocated to Mark St. Pierre, and 10,987 shares were allocated to David O'Neil.

The ESOP's purchase of common stock from the Company has been financed by loans from the Company to the ESOP. Each year the Company makes contributions to the ESOP, which are used to make loan interest and principal payments to the Company. Following each payment of principal on the loan, a portion of the unallocated shares held by the ESOP is allocated to participants.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT

All of the Company's executive officers are employees at will.

The Company has an agreement with Howard Pinsley, Chairman of the Board, most recently amended as of February 20, 2009. Mr. Pinsley resigned as the Company's Chief Executive Officer and became a non-executive officer on February 26, 2010, for a period of 36 months. In consideration for the performance of services to be provided by Mr. Pinsley for the equivalent of nine days per month, he received full benefits plus \$16,000 per month for the first three months and is entitled to \$8,666 per month for the next 33 months.

The Board of Directors has implemented a performance bonus plan for Mark St. Pierre, President and Chief Executive Officer. Mr. St. Pierre must still be employed by the Company on December 31 to be eligible to receive the performance bonus for the fiscal year ended June 30 prior thereto. The performance bonus will be determined by the Board based upon the sum of three components. Component A is purely discretionary and, if Mr. St. Pierre's performance is determined to have been acceptable to warrant a bonus for the fiscal year ended June 30, 2012, it will be a minimum amount of 10% of his base salary (\$21,326) and a maximum amount of \$50,000. For fiscal year ended June 30, 2013, there is no minimum and the maximum amount will be \$75,000. Component B is calculated based upon the percentage increase in the Company's earnings over the prior fiscal year and will be in a maximum amount of \$100,000. Component C is calculated based upon an increase in sales and an increase in backlog from the end of the prior fiscal year and will be in a maximum amount of \$100,000. The Board of Directors will reassess the performance bonus plan following the fiscal year end.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the "Committee") is comprised of three independent directors and operates under a written charter, revised most recently by the Board on February 16, 2007. The Audit Committee Charter is available on the Company's website at www.espey.com under the tab "Investors".

In fulfilling its responsibilities, the Committee has reviewed and discussed the Company's audited consolidated financial statements for the fiscal year ended June 30, 2012 with management and the independent auditors.

The Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). In addition, the Committee has received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No.1 (Independence Discussions with Audit Committees), and has discussed with the auditors the auditors' independence.

The Committee considered and concluded that the provision of non-audit services by the independent auditors was compatible with maintaining their independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2012.

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

The Nominating Committee of the Board of Directors (the "Nominating Committee") is comprised of three independent directors and operates under a written charter. A copy of the charter is available on the Company's website, www.espey.com, under the tab "Investors".

The Nominating Committee will review the present needs of the Board and establish criteria as to particular qualifications in terms of background and experience that could meet such needs. At a minimum, the Nominating Committee believes that nominees for Directors should have either experience in the industry in which the Company engages or professional, business or academic qualifications that differ from existing members of the Board and could augment the aggregate expertise possessed by Board members. In addition to industry experience, the Nominating Committee will consider the following skill sets and experience; corporate management experience, financial acumen, experience in international sales, mergers and acquisition experience and corporate governance experience. The Company further believes that all nominees should be able to make a contribution to the Board that will enhance the development and growth of the Company business and shareholder value; devote adequate time to service as a Director; and work well with other Board members in a collegial manner.

The Nominating Committee evaluates prospective nominees identified on its own initiative or referred to it by other Board members, management, shareholders or external sources and all self-nominated candidates. The Nominating Committee uses the same criteria for evaluating candidates nominated by shareholders and self-nominated candidates as it does for those proposed by other Board members, management and search companies.

The Nominating Committee's evaluation of existing Board members and prospective new Board members and the implementation of a diversity policy will be in the context of determinations made regarding the size of the Board of Directors. The Company is a small business with less than \$35 million in sales and operations at only one location. Due to the size of the business and the relatively simple corporate structure, the Board of Directors has determined not to increase its size. If a determination is made to add Board members, diversity is a factor that will be considered by the Nominating Committee.

The Nominating Committee will consider bona fide recommendations by shareholders as to potential Director nominees, who meet the above standards. A shareholder wishing to submit such a recommendation should send a letter, postmarked no more than 180 days and no later than 120 days prior to the date on which the Company's Annual Meeting was held during the prior year, to the Secretary of the Company. In the case of an Annual Meeting that is called for a date that is not within 30 calendar days before or after the first anniversary date of the Annual Meeting of Shareholders in the immediately preceding year, any such written proposal of nomination must be received by the Secretary not less than five days after the Corporation shall have issued a press release, filed a periodic report with the Securities and Exchange Commission or otherwise publicly disseminated notice that an Annual Meeting of Shareholders will be held. The letter must identify its writer as a shareholder of the Company, provide evidence of the writer's stock ownership and provide:

- The name, address, telephone number and social security number of the candidate to be considered;
- A description of understandings, contractual, business or familial relationships between the shareholder and the candidate, if any, and an unexecuted written consent of the candidate to serve as a director of the Company, if nominated and elected;
- The candidate's resume and at least three references;
- A statement of the candidate's qualifications to serve on the Board of Directors and specified Board committees which shall include an explanation as to how elements of the candidate's background and experience would be a benefit to the Company and its business.

All candidates recommended to the Nominating Committee must meet the independence standards of the NYSE MKT and the definition of "independent director" in the Company's By-Laws.

COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors (the "Committee") is comprised of three independent directors and operates under a written charter, adopted on February 20, 2009. A copy of the charter is available on the Company's website, www.espey.com, under the tab "Investors".

The objectives of the compensation program are designed to align performance with the interests of shareholders, reward performance, retain and recruit qualified and effective talent.

The Committee will consult with senior management to establish, review and evaluate the long-term strategy of executive compensation and the types of stock and other compensation plans utilized by the Company. The Committee will also assist the Board in the establishment of annual goals and objectives for the Company's Chief Executive Officer, as well as consulting with the Chief Executive Officer to establish goals and objectives for other members of senior management. The Committee will assist the Board in establishing plans for executive officer development. The Committee has not engaged a compensation consultant in connection with the discharge of its responsibilities.

The Committee is responsible for recommending to the Board all grants and awards under the Corporation's stock option plans and other equity-based plans. It is not intended that the authority of the Board under the 2007 Stock Option and Restricted Stock Plan be delegated to the Committee, but rather that the Committee serve in an advisory capacity. The Committee will also consult with the Chief Executive Officer for senior management grants and awards.

The Committee will review compensation paid to non-employee directors and make recommendations to the Board for any adjustments.

The Committee will review and approve, in consultation with the Chief Executive Officer, any severance or similar termination payments proposed to be made to any current or former executive officer of the Corporation (other than the current Chief Executive Officer), and review and recommend to the Board any severance or similar termination payments proposed to be made to the current Chief Executive Officer.

PROPOSAL NO.2

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee has selected EFP Rotenberg, LLP ("EFP Rotenberg") as the Company's independent public accountants for the fiscal year ending June 30, 2013. EFP Rotenberg is the firm resulting from the merger, effective October 1, 2009, of EFP Group with Rotenberg & Company, LLP (Rotenberg & Co.), which was first selected by the Audit Committee as the Company's independent public accountants for the fiscal year ending June 30, 2006. In connection with the merger Rotenberg & Co. resigned as the Company's independent accountants and the Audit Committee selected EFP Rotenberg, LLP as the successor accounting firm.

Unless otherwise specified by the shareholders, the shares represented by their properly executed proxies will be voted for ratification of the appointment of EFP Rotenberg, LLP as independent accountants for the fiscal year ending June 30, 2013. The Company is advised by said firm that neither the firm nor any of its partners now has, or during the past three years had, any direct financial interest or material indirect financial interest or any connection with the Company.

A representative of EFP Rotenberg, LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if he or she desires to do so and to be available to respond to appropriate questions from the shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF EFP ROTENBERG, LLP AS INDEPENDENT PUBLIC ACCOUNTANTS FOR THE COMPANY FOR FISCAL YEAR ENDING JUNE 30, 2013.

The Company's Audit Committee had policies and procedures for pre-approving all audit and non-audit work performed by EFP Rotenberg for the fiscal year ended June 30, 2012, and 2011 respectively and all services to be performed by EFP Rotenberg, LLP will be pre-approved. Pre-approval includes audit services, audit-related services, tax services and other services.

The aggregate fees billed for professional services by EFP Rotenberg, LLP in the fiscal years ended June 30, 2012, and 2011, respectively, for these various services were:

TYPE OF FEES	<u>2012</u>	<u>2011</u>
	Amount Billed	Amount Billed
(1) Audit Fees	\$82,000	\$63,000
(2) Audit Related Fees	None	None
(3) Tax Fees	\$ 9,500	\$ 9,500
(4) All Other Fees	<u>None</u>	<u>None</u>
Total	<u>\$91,500</u>	<u>\$72,500</u>

In the above table, in accordance with the Securities and Exchange Commission's definitions and rules, "audit fees" are fees the Company paid for professional services rendered by the principal accountant for the audit of the Company's annual financial statements included in Form 10-K and review of financial statements included in Form 10-Qs, and for services that are normally provided by the principal accountant in connection with statutory and regulatory filings or engagements; "audit-related fees" are fees for assurance and related services by the principal accountant that are reasonably related to the performance of the audit or review of the Company's financial statements; "tax fees" are fees for tax compliance, tax advice and tax planning rendered by the principal accountant. 100% of the services set forth in sections (1) through (3) above were approved by the Audit Committee in accordance with its charter.
