PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors of Espey Mfg. & Electronics Corp. (the “Company”) for use in voting at the Annual Meeting of the Shareholders of the Company to be held at The Courtyard by Marriott, 11 Excelsior Ave., Saratoga Springs, New York, on December 6, 2019, at 9:00 a.m., Eastern Standard Time, and at any postponement or adjournment thereof, for the purposes set forth in the attached Notice of Meeting. It is anticipated that the Notice of Annual Meeting of Shareholders, this Proxy Statement and the form of proxy will be mailed on or about November 1, 2019.

VOTING AND REVOCABILITY OF PROXIES

Every properly dated, executed and returned proxy will be voted at the Annual Meeting in accordance with the instructions of the shareholder. If no specific instructions are given, the shares represented by such proxy will be voted (i) FOR the election of the Class B Directors nominated by the Board of Directors, for a three year term, and (ii) FOR approval, on an advisory (non-binding) basis, of the compensation of the Company’s Named Executive Officers, and (iii) FOR three years as the frequency of the shareholder vote to approve compensation, on an advisory (non-binding) basis, of the of the Named Executive Officers, and (iv) FOR ratification of the appointment of Freed Maxick CPAs, P.C. as the Company’s independent public accountants for the fiscal year ending June 30, 2020. Any shareholder giving a proxy has the power to revoke it at any time prior to the voting thereof by voting in person at the Annual Meeting, by giving written notice to the Secretary prior to the Annual Meeting, or by signing and delivering a new proxy card bearing a later date. The Company’s only class of voting securities is its Common Stock, par value \$.33-1/3 per share (the “Common Stock”). Each share of Common Stock outstanding on the record date will be entitled to one vote on all matters. In accordance with the Company’s By-Laws and applicable state law, the election of directors will be determined by a plurality of the votes cast by the holders of shares of Common Stock present and entitled to vote thereon, in person or by proxy, at the Annual Meeting. Shares present which are properly withheld as to voting with respect to any one or more nominees, and shares present with respect to which a broker indicates that it does not have authority to vote (“broker non-votes”) will not be counted. Cumulative voting in connection with the election of directors is not permitted.

Please note that in accordance with rules of the New York State Stock Exchange governing brokers, the election of directors (Proposal No. 1), the approval on an advisory (non-binding) basis, of the compensation of the Company’s Named Executive Officers (Proposal No. 2), and the frequency of the shareholder vote to approve compensation on an advisory (non-binding) basis of the Named Executive Officers (Proposal No. 3) are “non-discretionary” items. Shares which are held in a brokerage account as to which the broker does not receive instructions on how to vote with respect to these items may not be voted with respect to these proposals and those votes will be counted as “broker non-votes.”

What are Broker Non-Votes? Broker non-votes are shares held in the street name by a broker that the broker has no discretionary authority to vote. Brokers do not have authority to vote on matters considered to be non-routine unless they have received instructions from the beneficial owners of the shares.

Approval of the advisory proposal on executive compensation requires the number of properly cast votes in favor of the proposal to exceed the number of votes cast against the proposal. The option which receives the highest number of properly cast votes will be the non-binding frequency for the advisory vote on executive compensation. The affirmative vote of shares representing a majority of the votes cast by the holders of shares present and entitled to vote is required to approve the ratification of the appointment of the independent accountants.

Shares which are voted to abstain and broker non-votes are not counted as votes cast on any matter to which they relate.

The By-Laws of the Company provide that the majority of the shares of the Common Stock of the Company issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum at the Annual Meeting. Shares which are voted to abstain are considered as present at the Annual Meeting for the purposes of determining a quorum. Broker non-votes are considered as present at the Annual Meeting for the purposes of determining a quorum.

RECORD DATE AND SHARE OWNERSHIP

Only holders of Common Stock of record on the books of the Company at the close of business on October 17, 2019, will be entitled to vote at the meeting. There were 2,402,456 shares of Common Stock outstanding and entitled to vote on October 17, 2019.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

The Company's Certificate of Incorporation, as amended, provides that the Board of Directors shall consist of not less than three nor more than nine persons with the actual number determined in accordance with the Company's By-Laws. The Certificate of Incorporation further provides that there shall be three classes of directors (Class A, Class B and Class C) with overlapping three-year terms and that all classes shall be as nearly equal in number as possible.

The terms of three Class B Directors expire at the Annual Meeting. There are also presently three Class A Directors, whose terms expire at the 2021 Annual Meeting, and three Class C Directors, whose terms expire at the 2020 Annual Meeting.

Barry Pinsley, a Class B Director whose term expires at the Annual Meeting informed the Nominating Committee that he did not wish to stand for re-election as a Director. This was not on the basis of any disagreement with the Company. Thereafter, the Board of Directors determined to reduce the number of directors and has fixed the number at eight effective following the Annual Meeting.

The Board of Directors has nominated two persons to stand for election as Class B Directors.

The votes will be cast pursuant to the enclosed proxy for the election of the Class B nominees named unless specification is made withholding such authority. Each of the nominees is presently a director of the Company. Should any of said nominees become unavailable, which is not anticipated, the proxies named in the enclosed proxy will vote for the election of such other persons as the Board of Directors may recommend. Proxies may not be voted for a greater number of persons than the nominees named.

The names and business experience for the past five years of the two persons who have been nominated by the Board of Directors to stand for election as directors at the Annual Meeting and the remaining directors whose terms are continuing until the 2020 or 2021 Annual Meeting appear below.

The Board has determined that all of the Board members with the exception of Howard Pinsley, Patrick T. Enright, Jr., and David A. O'Neil are independent in accordance with the listing standards of the NYSE American and the By-Laws of the Company.

The independent members of the Board met four times during the fiscal year ended June 30, 2019, incidental to each regularly scheduled Board of Directors, with no members of management present.

BOARD OF DIRECTORS QUALIFICATIONS

The Board of Directors believes that with respect to current Board members, a demonstration of dedicated commitment to the responsibilities of a director is a leading criteria for assessing such person’s qualifications for continued service on the Board. The Board will also consider a nominee’s relationship to the Company and the following skill sets and experience in evaluating Board candidates: industry experience, corporate management experience, financial acumen, experience in international sales, mergers and acquisition experience and corporate governance experience.

The specific experiences, qualifications, attributes and skills of each of the nominees for director and the individuals continuing as directors are as follows:

Director Nominees

Mr. Enright is the Company’s President and Chief Executive Officer and through his day-to-day involvement in all aspects of the Company’s operations provides a vital link between junior and senior management personnel and the general oversight and policy setting responsibilities of the Board. Among the reasons Mr. Enright was hired in 2015 was his extensive experience in various executive capacities in the defense and shipbuilding industries, with responsibilities in strategic planning, business unit leadership, program management, and systems and solutions implementation. This provides a major asset to the Board in its oversight of customer retention, new business development and expansion of the Company’s core business in defense and industrial power electronics.

Mr. Sexauer has long-term and strong leadership, financial acumen, strategic planning and business development skills in the defense industry. His long-term employment with Leonardo DRS, and before that General Dynamics, as well as his historic relationships with the United States Navy, are assets to the Board in its oversight of the development of the Company’s business with defense industry contractors.

Continuing Directors

Mr. Helmetag has a very strong business leadership, financial management and strategic planning background through his long career as a senior executive in several corporations. Mr. Pinsley's affiliation with the Company for his entire professional career and his long-term service as a senior executive officer provides him with intimate knowledge of every aspect of the Company's operations. His personal role in the development of the Company's product line and his personal contacts with relationship persons at the Company's domestic and international customers provides the Board with a vital resource in drawing upon the Company's historic strengths while considering initiatives for future growth and development of the Company's business.

Mr. Sabo's experience through his long career as a commercial, government contracts and personal injury litigation lawyer is an asset to the Audit Committee and the full Board in its evaluation of legal, operational and employment-related risks. His educational background in electrical engineering, his experience in patent and intellectual property law, and his experience in insurance coverage matters is valuable to the Board's consideration of numerous issues pertaining to the Company's business.

Mr. Corr's experience as a certified public accountant, investment advisor and professor of management and business at Skidmore College teaching accounting theory, financial analysis, and finance, brings strong financial skills to the Board and qualifies him as the Audit Committee financial expert and the person on the Board responsible for risk assessment oversight.

Mr. Wool is a business and tax lawyer with over forty years of experience advising a broad range of clients in a broad spectrum of business, tax, governmental, commercial, employment and transactional matters. He provides valuable insight and advice to the Espey Board in its deliberations and consideration of strategic initiatives including potential business combinations and acquisitions, employee and executive compensation matters, corporate governance matters and other legal issues. Mr. Wool played a key role in the design and adoption of the Espey Employee Stock Ownership Plan ("ESOP") and consults with management concerning the plan's ongoing operation.

Mr. O'Neil is the Company's Executive Vice President, Treasurer and Chief Financial Officer, and has served as a Company Officer since 2000. INSURANCE

The executive officers of the Company can elect to be covered under the company-sponsored medical health plans, which do not discriminate in favor of the officers of the Company and which are available generally to all employees. Until January 31, 2019 non-executive directors of the Company were eligible to be covered under the company-sponsored medical health insurance. In addition, the executive officers are covered under a group life plan, which does not discriminate, and is available to all employees.

The Company maintains insurance coverage, as authorized by Section 726 of the New York Business Corporation Law, providing for (a) reimbursement of the Company for payments it makes to indemnify officers and directors of the Company, and (b) payment on behalf of officers and directors of the Company for losses, costs and expenses incurred by such individuals in any actions.

EMPLOYEE RETIREMENT PLAN AND TRUST

Under the Company's ESOP, approved by the Board of Directors on June 2, 1989, effective July 1, 1988, all non-union employees of the Company, including the Company's executive officers and non-executive officers are eligible to participate. The ESOP is a non-contributory plan, which is designed to invest primarily in shares of common stock of the Company. Certain technical amendments not considered material were adopted effective as of June 10, 1994, July 1, 2003, July 1, 2005, and July 1, 2016.

Of the 454,943 shares of common stock of the Company allocated to participants of the ESOP as of June 30, 2019, 2,235 shares were allocated to Mr. Enright, 15,206 shares were allocated to Mr. O'Neil and 10,007 shares were allocated to Ms. Murphy. Messrs. Enright, and O'Neil and Ms. Murphy were 40%, 100% and 100% vested, respectively, in their account as of June 30, 2019.

The ESOP's purchase of common stock from the Company has been financed by loans from the Company to the ESOP. Each year the Company makes contributions to the ESOP, which is used to make loan interest and principal payments to the Company. Following each payment of principal on the loan, a portion of the unallocated shares held by the ESOP is allocated to participants.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT

The Company has an Executive Employment agreement with Patrick T. Enright Jr., President and Chief Executive Officer. The agreement was effective February 1, 2018 and expires January 31, 2021, but will automatically renew for an additional one year period unless either the Company or the employee gives at least 60 days' notice to the contrary. The agreement provides for the payment of base compensation and bonus compensation. Mr. Enright is entitled to an annual performance-based cash bonus currently comprised of three components, with the maximum aggregate amount payable not to exceed his annual base salary. The first component is discretionary, based upon an annual performance assessment and may not exceed 50% of the base salary. The second component is based on the increase in combined sales plus backlog over the average of the prior three fiscal years, times 0.5% (one half of one percent), and may not exceed 50% of base salary. The third component is based on the increase in operating earnings over the average of the prior three fiscal years, times 5% (five percent), and may not exceed 50% of base salary. In calculating backlog, adjustments are made in the case of a specific customer contract. In order to be eligible for the bonus compensation for a fiscal year ending June 30, Mr. Enright must be employed on December 31 following such fiscal year end. If Mr. Enright is terminated without "cause" he is entitled to nine months' severance pay of his then current base salary, any amount of bonus to which he may be entitled based upon the non-discretionary components and health benefits.

The Company has Executive Employment agreements with David O'Neil Executive Vice President, Treasurer and Chief Financial Officer, and Peggy A. Murphy Dir. HR/Corp. Sec'y. The agreements were effective March 1, 2013 and automatically renew for additional one year periods subsequent to June 30, 2016 unless either the Company, or Mr. O'Neil or Ms. Murphy, gives at least 60 days' notice to the contrary. The agreement provides for the payment of base compensation and bonus compensation as determined by the Board in its discretion. If the individual is terminated without "cause" or incidental to a change of control or if the individual terminates

employment for “good reason” the individual is entitled to nine months’ severance pay of his or her then current base salary plus health benefits.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the “Committee”) is comprised of four independent directors and operates under a written charter, revised most recently by the Board on September 7, 2018. The Audit Committee Charter is available on the Company’s website at www.espey.com under the tab “Investors”.

In fulfilling its responsibilities, the Committee has reviewed and discussed the Company’s audited consolidated financial statements for the fiscal year ended June 30, 2019 with management and the independent auditors.

The Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees). In addition, the Committee has received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No.1 (Independence Discussions with Audit Committees), and has discussed with the auditors the auditors’ independence.

The Committee considered and concluded that the provision of non-audit services by the independent auditors was compatible with maintaining their independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements referred to above be included in the Company’s Annual Report on Form 10-K for the fiscal year ended June 30, 2019.

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

The Nominating Committee of the Board of Directors (the “Nominating Committee”) is comprised of four independent directors and operates under a written charter. A copy of the charter is available on the Company’s website, www.espey.com, under the tab “Investors”.

The Nominating Committee will review the present needs of the Board and establish criteria as to particular qualifications in terms of background and experience that could meet such needs. At a minimum, the Nominating Committee believes that nominees for Directors should have either experience in the industry in which the Company engages or professional, business or academic qualifications that differ from existing members of the Board and could augment the aggregate expertise possessed by Board members. In addition to industry experience, the Nominating Committee will consider the following skill sets and experience; corporate management experience, financial acumen, experience in international sales, mergers and acquisition experience and corporate governance experience. The Company further believes that all nominees should be able to make a contribution to the Board that will enhance the development and growth of the Company’s business and shareholder value; devote adequate time to service as a Director; and work well with other Board members in a collegial manner.

The Nominating Committee evaluates prospective nominees identified on its own initiative or referred to it by other Board members, management, shareholders or external sources and all self-nominated candidates. The Nominating Committee will use the same criteria for evaluating candidates nominated by shareholders and self-nominated candidates as it does for those proposed by other Board members, management and search companies.

The Nominating Committee's evaluation of existing Board members and prospective new Board members and the implementation of a diversity policy will be in the context of determinations made regarding the size of the Board of Directors. The Company is a small business with less than \$40 million in sales and operations at only one location. Due to the size of the Company's business and the relatively simple corporate structure, the Board may not maintain the number of authorized number of directors at eight. However, as existing directors retire, if a determination is made to retain the current number of authorized directors, diversity is a factor that will be considered by the Nominating Committee in selecting new nominees.

The Nominating Committee will consider bona fide recommendations by shareholders as to potential Director Nominees, who meet the above standards. A shareholder wishing to submit such a recommendation should send a letter, postmarked no more than 180 days and no later than 120 days prior to the date on which the Company's Annual Meeting was held during the prior year, to the Secretary of the Company. In the case of an Annual Meeting that is called for a date that is not within 30 calendar days before or after the first anniversary date of the Annual Meeting of Shareholders in the immediately preceding year, any such written proposal of nomination must be received by the Secretary not less than five days after the Corporation shall have issued a press release, filed a periodic report with the Securities and Exchange Commission or otherwise publicly disseminated notice that an Annual Meeting of Shareholders will be held. The letter must identify its writer as a shareholder of the Company, provide evidence of the writer's stock ownership and provide:

- The name, address, telephone number and social security number of the candidate to be considered;
- A description of understandings, contractual, business or familial relationships between the shareholder and the candidate, if any, and an unexecuted written consent of the candidate to serve as a director of the Company, if nominated and elected;
- The candidate's resume and at least three references;
- A statement of the candidate's qualifications to serve on the Board of Directors and specified Board committees which shall include an explanation as to how elements of the candidate's background and experience would be a benefit to the Company and its business.

All candidates recommended to the Nominating Committee must meet the independence standards of the NYSE American and the definition of "independent director" in the Company's By-Laws.

COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors (the "Committee") is comprised of three independent directors and operates under a written charter, adopted on February 20, 2009. A copy of the charter is available on the Company's website, www.espey.com, under the tab "Investors".

The objectives of the compensation program are designed to align performance with the interests of shareholders, reward performance, retain and recruit qualified and effective talent.

The Committee will consult with senior management to establish, review and evaluate the long-term strategy of executive compensation and the types of stock and other compensation plans utilized by the Company. The Committee will also assist the Board in the establishment of annual goals and objectives for the Company's Chief Executive Officer, as well as consulting with the Chief Executive Officer to establish goals and objectives for other members of senior management. The Committee will assist the Board in establishing plans for executive officer development. The Committee has not engaged a compensation consultant in connection with the discharge of its responsibilities.

The Committee is responsible for recommending to the Board all grants and awards under the Corporation's stock option plans and other equity-based plans. It is not intended that the authority of the Board to make grants under the 2017 Stock Option and Restricted Stock Plan be delegated to the Committee, but rather that the Committee serve in an advisory capacity. The Committee will also consult with the Chief Executive Officer for senior management grants and awards. The Board has authorized the Chief Executive Officer to grant up to 2,000 stock options, without further approval, incidental to the hiring of new senior level employees.

The Committee will review compensation paid to non-employee directors and make recommendations to the Board for any adjustments.

The Committee will review and approve, in consultation with the Chief Executive Officer, any severance or similar termination payments proposed to be made to any current or former executive officer of the Corporation (other than the current Chief Executive Officer), and review and recommend to the Board any severance or similar termination payments proposed to be made to the current Chief Executive Officer.

PROPOSAL NO. 2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 ("Dodd-Frank Act") requires that shareholders have the opportunity to cast a non-binding vote on executive compensation, commonly referred to as a "say-on-pay" vote.

This advisory vote can be conducted every year, every two years, or every three years. In 2013, we asked the shareholders in an advisory vote how frequently we should conduct the "say-on-pay" vote. We recommended every three years and every three years received the most votes of our shareholders. Accordingly, in 2016 we held the "say-on-pay" vote, on an advisory basis, on the fiscal year 2016 compensation which we paid to our Named Executive Officers, and this year we are holding the "say-on-pay" vote, on an advisory basis, on the 2019 compensation which we paid to our Named Executive Officers.

At present, we have three Named Executive Officers. We believe that their base compensation is reasonable based upon their experience, the size of the Company and the Company's annual revenues. As described under the heading "Employment Contracts and Termination of Employment", our Chief Executive Officer is entitled to bonus compensation, in addition to his base compensation which is, in part, derived from formulae applied to our financial performance and, in part, discretionary. Bonus compensation for our other Named Executive Officers and our other executive officers is purely discretionary with the Board of Directors and will be awarded based upon the Company's performance and the individual's contribution to such performance.

We do not have separate retirement plans or benefits for our Named Executive Officers. They are participants in the Company's ESOP and may participate in our 401(k) plan. In addition, they receive periodic awards of stock options. Our Named Executive Officers also participate in Company-sponsored group benefit plans available to all employees. The details are under the heading "Compensation of Executive Officers."

The advisory vote on executive compensation solicited by this proposal is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers which we believe is appropriate and fair to both the Company and its executives.

As provided by the say-on-pay rules, we are asking you to vote on the adoption of the following resolution:

RESOLVED, that the shareholders of Espey Mfg. & Electronics Corp. approve, on an advisory basis, the compensation of the Company's Named Executive Officers, as disclosed, pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission, in the Company's proxy statement for the 2019 annual meeting of shareholders.

Proxies will be voted in favor of the resolution unless shareholders specify otherwise in their proxies and except for broker non-votes. The affirmative vote of at least a majority of the voting power of the shares present, in person or by proxy, and entitled to vote (excluding broker non-votes) is required for approval of the proposal. As an advisory vote, this proposal is non-binding. However, our Compensation Committee and the Board of Directors will consider the outcome of the vote when making future compensation decisions for our Named Executive Officers.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE RESOLUTION.

**PROPOSAL NO. 3
ADVISORY VOTE ON FREQUENCY OF SAY-ON-PAY VOTE**

The Dodd-Frank Act, also requires that our shareholders have an opportunity to cast a separate advisory, non-binding vote on how frequently future “say-on-pay” votes should be conducted by the Company at least once every six years. Shareholders may indicate whether they would prefer an advisory vote on executive compensation every one, two or three years. We last held a vote on the frequency of “say-on-pay” votes at the 2013 annual meeting of shareholders.

The Board of Directors presently believes that future “say-on-pay” votes should occur every three years. The Board believes that holding a vote every three years is consistent with the Board’s philosophy of designing a compensation program for the Named Executive Officers which enhances the long-term growth of the Company and our ability to retain and motivate our executive officers for the long-term. The Board of Directors believes that a three-year cycle for the advisory vote on executive compensation will provide shareholders with a meaningful timing alternative by which to evaluate the effectiveness of our executive compensation strategies and the amount of compensation to the Named Executive Officers when measured against the Company’s financial performance for a period of several years as opposed to a single year.

The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency for the advisory vote on executive compensation that has been selected by the shareholders. Abstentions and broker non-votes will not be counted as votes cast and will not affect the determination. Proxies will be voted in favor of the three years option unless shareholders specify otherwise. Because this vote is advisory and not binding on the Board of Directors, the Board may decide that it is in the best interests of the shareholders and the Company to hold an advisory votes on executive compensation more or less frequently than the option approved by our shareholders. Shareholders are not voting to approve or disapprove the Board of Directors’ recommendations.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THREE YEARS REGARDING THE FREQUENCY OF THE SHAREHOLDER VOTE TO APPROVE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS.

**PROPOSAL NO. 4
RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS**

The Audit Committee has selected Freed Maxick CPAs, P.C. (“Freed Maxick”) as the Company’s independent public accountants for the fiscal year ending June 30, 2020.

Unless otherwise specified by the shareholders, the shares represented by their properly executed proxies will be voted for ratification of the appointment of Freed Maxick as independent accountants for the fiscal year ending June 30, 2020. The Company is advised by said firm that neither the firm nor any of its members now has, or during the past three years had, any direct financial interest or material indirect financial interest or any connection with the Company.

A representative of Freed Maxick is expected to be present at the Annual Meeting with the opportunity to make a statement if he or she desires to do so and to be available to respond to appropriate questions from the shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF FREED MAXICK CPAS, P.C. AS INDEPENDENT PUBLIC ACCOUNTANTS FOR THE COMPANY FOR THE FISCAL YEAR ENDING JUNE 30, 2020.

The fees billed or expected to be billed for professional services by Freed Maxick for the fiscal years ended June 30, 2019 and June 30, 2018 were:

<u>TYPE OF FEES</u>	<u>2019</u>	<u>2018</u>
(1) Audit Fees	\$98,850	\$92,000
(2) Audit Related Fees	\$8,500	\$8,000
(3) Tax Fees	\$14,000	\$10,500
(4) All Other Fees	<u>None</u>	<u>None</u>
Total	<u>\$121,350</u>	<u>\$110,500</u>

In the above table, in accordance with the Securities and Exchange Commission’s definitions and rules, “audit fees” are fees for professional services rendered by the principal accountant for the audit of the Company’s annual financial statements included in Form 10-K and review of financial statements included in Form 10-Qs, and for services that are normally provided by the principal accountant in connection with statutory and regulatory filings or engagements; “audit-related fees” are fees for assurance and related services by the principal accountant that are reasonably related to the performance of the audit or review of the Company’s financial statements; “tax fees” are fees for tax compliance, tax advice and tax planning rendered by the principal accountant. 100% of the services set forth in items (1) through (3) above were approved by the Audit Committee in accordance with its charter.
