**PROXY STATEMENT**

The enclosed proxy is solicited by the Board of Directors of Espey Mfg. & Electronics Corp. (the “Company”) for use in voting at the Annual Meeting of the Shareholders of the Company to be held at The Courtyard by Marriott, 11 Excelsior Ave., Saratoga Springs, New York, on December 2, 2022, at 9:00 a.m., Eastern Standard Time, and at any postponement or adjournment thereof, for the purposes set forth in the attached Notice of Meeting. It is anticipated that the Notice of Annual Meeting of Shareholders, this Proxy Statement and the form of proxy will be mailed on or about October 28, 2022.

**VOTING AND REVOCABILITY OF PROXIES**

Every properly dated, executed and returned proxy will be voted at the Annual Meeting in accordance with the instructions of the shareholder. If no specific instructions are given, the shares represented by such proxy will be voted (i) FOR the election of the Class B Director nominated by the Board of Directors, for a three year term, and (ii) FOR approval, on an advisory (non-binding) basis, of the compensation of the Company’s Named Executive Officers, and (iii) FOR ratification of the appointment of Freed Maxick CPAs, P.C. as the Company’s independent public accountants for the fiscal year ending June 30, 2023. Any shareholder giving a proxy has the power to revoke it at any time prior to the voting thereof by voting in person at the Annual Meeting, by giving written notice to the Secretary prior to the Annual Meeting, or by signing and delivering a new proxy card bearing a later date. The Company’s only class of voting securities is its Common Stock, par value \$.33-1/3 per share (the “Common Stock”). Each share of Common Stock outstanding on the record date will be entitled to one vote on all matters. In accordance with the Company’s By-Laws and applicable state law, the election of directors will be determined by a plurality of the votes cast by the holders of shares of Common Stock present and entitled to vote thereon, in person or by proxy, at the Annual Meeting. Shares present which are properly withheld as to voting with respect to any one or more nominees, and shares present with respect to which a broker indicates that it does not have authority to vote (“broker non-votes”) will not be counted. Cumulative voting in connection with the election of directors is not permitted.

**Please note that in accordance with rules of the New York State Stock Exchange governing brokers, each of, the election of directors (Proposal No. 1), and the approval on an advisory (non-binding) basis, of the compensation of the Company’s Named Executive Officers (Proposal No. 2), is a “non-discretionary” item. Shares which are held in a brokerage account as to which the broker does not receive instructions on how to vote with respect to these items may not be voted with respect to these proposals and those votes will be counted as “broker non-votes.”**

**What are Broker Non-Votes?** Broker non-votes are shares held in the street name by a broker that the broker has no discretionary authority to vote. Brokers do not have authority to vote on matters considered to be non-routine unless they have received instructions from the beneficial owners of the shares.

The affirmative vote of shares representing a majority of the votes cast by the holders of shares present and entitled to vote is required to approve the ratification of the appointment of the independent accountants.

Shares which are voted to abstain and broker non-votes are not counted as votes cast on any matter to which they relate.

The By-Laws of the Company provide that the majority of the shares of the Common Stock of the Company issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum at the Annual Meeting. Shares which are voted to abstain are considered as present at the Annual Meeting for the purposes of determining a quorum. Broker non-votes are considered as present at the Annual Meeting for the purposes of determining a quorum.

## **RECORD DATE AND SHARE OWNERSHIP**

Only holders of Common Stock of record on the books of the Company at the close of business on October 13, 2022, will be entitled to vote at the meeting. There were 2,702,633 shares of Common Stock outstanding and entitled to vote on October 13, 2022.

In addition, the executive officers are covered under a group life plan, which does not discriminate, and is available to all employees.

The Company maintains insurance coverage, as authorized by Section 726 of the New York Business Corporation Law, providing for (a) reimbursement of the Company for payments it makes to indemnify officers and directors of the Company, and (b) payment on behalf of officers and directors of the Company for losses, costs and expenses incurred by such individuals in any actions.

### **EMPLOYEE RETIREMENT PLAN AND TRUST**

Under the Company's ESOP, approved by the Board of Directors on June 2, 1989, effective July 1, 1988, all non-union employees of the Company, including the Company's executive officers and non-executive officers are eligible to participate. The ESOP is a non-contributory plan, which is designed to invest primarily in shares of common stock of the Company. Certain technical amendments not considered material were adopted effective as of June 10, 1994, July 1, 2003, July 1, 2005, July 1, 2016, and January 1, 2020.

Of the 496,091 shares of common stock of the Company allocated to participants of the ESOP as of June 30, 2022, 3,938 shares were allocated to Mr. Enright, 18,456 shares were allocated to Mr. O'Neil, 6,610 shares were allocated to Ms. Sparano, and 8,149 shares were allocated to Ms. Murphy. Messrs. Enright, and O'Neil and Meses. Sparano and Murphy were 100%, vested in their respective accounts as of June 30, 2022.

The ESOP's purchase of common stock from the Company has been financed by loans from the Company to the ESOP. Each year the Company makes contributions to the ESOP, which is used to make loan interest and principal payments to the Company. Following each payment of principal on the loan, a portion of the unallocated shares held by the ESOP is allocated to participants.

On December 1, 2020, pursuant to a Stock Purchase Agreement dated as of such date, the Company sold 300,000 shares of its common stock to the ESOP. The ESOP paid \$18.29 per share, for an aggregate purchase price of \$5,487,000. The ESOP borrowed from the Company an amount equal to the purchase price. The loan will be repaid in fifteen (15) equal annual installments of principal and the unpaid balance will bear interest at a fixed rate of 3.00% per annum.

The Board of Directors of the Company had approved a purchase price equal to the fair market value as determined by an independent valuation firm retained by the ESOP. The average trading pricing of the Company's common stock of the NYSE – American on November 30, 2020 was \$19.12.

### **EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT**

The Company had an Executive Employment agreement with Patrick T. Enright Jr., the former President and Chief Executive Officer, who resigned effective December 31, 2021. The agreement was effective February 1, 2018. It provided for the payment of base compensation and bonus compensation. Mr. Enright was entitled to an annual performance-based cash bonus comprised of three components, with the maximum aggregate amount payable not to exceed his annual base salary. The first component was discretionary, based upon an annual performance assessment and could not exceed 50% of the base salary. The second component was based on the increase in combined sales plus backlog over the average of the prior three fiscal years, times 0.5% (one half of one percent), and could not exceed 50% of base salary. The third component was based on the increase in operating earnings over the average of the prior three fiscal years, times 5% (five percent), and could not exceed 50% of base salary. In calculating backlog, adjustments were made in the case of a specific customer contract. In accordance with the terms of a Separation Agreement, Mr. Enright was paid his bonus for the fiscal year ended June 30, 2021 and was entitled to receive nine months of severance pay based upon his final base salary.

The Company had an Executive Employment Agreement with David A. O'Neil in his capacity as Executive Vice President, Treasurer and Chief Financial Officer, which was effective March 1, 2013 and had automatically renewed annually subsequent to June 30, 2016. Incidental to his appointment as the Company's new President and Chief Executive Officer on January 1, 2022, the Company entered a new Employment Agreement with Mr. O'Neil for a two year term ending January 1, 2024. The Agreement provides for the payment of base compensation and bonus compensation. Mr. O'Neil is entitled to an annual performance-based cash bonus comprised of three components, with the maximum aggregate amount payable not to exceed his annual base salary. The first component

is discretionary, based upon an annual performance assessment and may not exceed 50% of the base salary. Incidental to her appointment as Chief Financial Officer and Treasurer effective January 1, 2022, the Company entered an Employment Agreement with Katrina L. Sparano for a term of one year which automatically renews for additional one year periods unless either the Company or Ms. Sparano gives at least 60 days’ notice to the contrary. #### **STOCK TRADING POLICY – HEDGING**

The Board has implemented a stock trading policy that applies to the Board of Directors, executive officers and other persons whom the Company may designate from time to time as “insiders” because of their access to information. Under this policy, trading in the Company’s securities is prohibited except during specifically designated windows. Additionally, these persons are prohibited from engaging in various trading practices which would suggest speculation in Company securities, including short sales, puts, calls, trading on margin, swaps, or other hedging transactions. The policy also disallows these persons from pledging the Company securities as collateral for a loan.

#### **AUDIT COMMITTEE REPORT**

The Audit Committee of the Board of Directors (the “Committee”) is comprised of four independent directors and operates under a written charter, revised most recently by the Board on September 7, 2018. The Audit Committee Charter is available on the Company’s website at [www.espey.com](http://www.espey.com) under the tab “Corporate Governance”.

In fulfilling its responsibilities, the Committee has reviewed and discussed the Company’s audited consolidated financial statements for the fiscal year ended June 30, 2022 with management and the independent public accountants.

The Committee has discussed with the independent public accountants the matters required to be discussed by Statement on Auditing Standard No. 16, as amended (Communications with Audit Committees). In addition, the Committee has received and reviewed the written disclosures and the letter from the independent public accountants required by Independence Standards Board No.1 (Independence Discussions with Audit Committees), and has discussed with the auditors the auditors’ independence.

The Committee considered and concluded that the provision of non-audit services by the independent public accountants was compatible with maintaining their independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2022.

## **CORPORATE GOVERNANCE AND NOMINATING COMMITTEE**

The Nominating Committee of the Board of Directors (the "Nominating Committee") is comprised of four independent directors and operates under a written charter. A copy of the charter is available on the Company's website, [www.espey.com](http://www.espey.com), under the tab "Corporate Governance".

The Nominating Committee will review the present needs of the Board and establish criteria as to particular qualifications in terms of background and experience that could meet such needs. At a minimum, the Nominating Committee believes that nominees for Directors should have either experience in the industry in which the Company engages or professional, business or academic qualifications that differ from existing members of the Board and could augment the aggregate expertise possessed by Board members. In addition to industry experience, the Nominating Committee will consider the following skill sets and experience; corporate management experience, financial acumen, experience in international sales, mergers and acquisition experience and corporate governance experience. The Company further believes that all nominees should be able to make a contribution to the Board that will enhance the development and growth of the Company's business and shareholder value; devote adequate time to service as a Director; and work well with other Board members in a collegial manner.

The Nominating Committee evaluates prospective nominees identified on its own initiative or referred to it by other Board members, management, shareholders or external sources and all self-nominated candidates. The Nominating Committee will use the same criteria for evaluating candidates nominated by shareholders and self-nominated candidates as it does for those proposed by other Board members, management and search companies.

The Nominating Committee's evaluation of existing Board members and prospective new Board members and the implementation of a diversity policy will be in the context of determinations made regarding the size of the Board of Directors. The Company is a small business with less than \$40 million in sales and operations at only one location. Due, in part, to the size of the Company's business and the relatively simple corporate structure, the Board determined to reduce the fixed number of Directors to six. As existing directors retire, diversity is a factor that will be considered by the Nominating Committee in selecting new nominees.

The Nominating Committee will consider bona fide recommendations by shareholders as to potential Director Nominees, who meet the above standards. A shareholder wishing to submit such a recommendation should send a letter, postmarked no more than 180 days and no later than 120 days prior to the date on which the Company's Annual Meeting was held during the prior year, to the Secretary of the Company. In the case of an Annual Meeting that is called for a date that is not within 30 calendar days before or after the first anniversary date of the Annual Meeting of Shareholders in the immediately preceding year, any such written proposal of nomination must be received by the Secretary not less than five days after the Company shall have issued a press release, filed a periodic report with the Securities and Exchange Commission or otherwise publicly disseminated notice that an Annual Meeting of Shareholders will be held. The letter must identify its writer as a shareholder of the Company, provide evidence of the writer's stock ownership and provide:

- The name, address, telephone number and social security number of the candidate to be considered;
- A description of understandings, contractual, business or familial relationships between the shareholder and the candidate, if any, and an unexecuted written consent of the candidate to serve as a director of the Company, if nominated and elected;

- The candidate’s resume and at least three references;
- A statement of the candidate’s qualifications to serve on the Board of Directors and specified Board committees which shall include an explanation as to how elements of the candidate’s background and experience would be a benefit to the Company and its business.

All candidates recommended to the Nominating Committee must meet the independence standards of the NYSE American and the definition of “independent director” in the Company’s By-Laws.

### **COMPENSATION COMMITTEE**

The Compensation Committee of the Board of Directors (the “Committee”) is comprised of two independent directors and operates under a written charter, adopted on February 20, 2009. A copy of the charter is available on the Company’s website, [www.espey.com](http://www.espey.com), under the tab “Corporate Governance”.

The objectives of the compensation program are designed to align performance with the interests of shareholders, reward performance, retain and recruit qualified and effective talent.

The Committee will consult with senior management to establish, review and evaluate the long-term strategy of executive compensation and the types of stock and other compensation plans utilized by the Company. The Committee will also assist the Board in the establishment of annual goals and objectives for the Company’s Chief Executive Officer, as well as consulting with the Chief Executive Officer to establish goals and objectives for other members of senior management. The Committee will assist the Board in establishing plans for executive officer development. The Committee has not engaged a compensation consultant in connection with the discharge of its responsibilities.

The Committee is responsible for recommending to the Board all grants and awards under the Company’s stock option plans and other equity-based plans. It is not intended that the authority of the Board to make grants under the 2017 Stock Option and Restricted Stock Plan be delegated to the Committee, but rather that the Committee serve in an advisory capacity. The Committee will also consult with the Chief Executive Officer for senior management grants and awards. The Board has authorized the Chief Executive Officer to grant up to 2,000 stock options, without further approval, incidental to the hiring of new senior level employees.

The Committee will review compensation paid to non-employee directors and make recommendations to the Board for any adjustments.

The Committee will review and approve, in consultation with the Chief Executive Officer, any severance or similar termination payments proposed to be made to any current or former executive officer of the Company (other than the current Chief Executive Officer), and review and recommend to the Board any severance or similar termination payments proposed to be made to the current Chief Executive Officer.

## PROPOSAL NO. 2

### ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (“Dodd-Frank Act”) requires that shareholders have the opportunity to cast a non-binding vote on executive compensation, commonly referred to as a “say-on-pay” vote.

This advisory vote can be conducted every year, every two years, or every three years. In 2019, we asked the shareholders in an advisory vote how frequently we should conduct the “say-on-pay” vote. We recommended every three years and every three years received the most votes of our shareholders. Accordingly, in 2019 we held the “say-on-pay” vote, on an advisory basis, on the fiscal year 2019 compensation which we paid to our Named Executive Officers, and this year we are holding the “say-on-pay” vote, on an advisory basis, on the 2022 compensation which we paid to our Named Executive Officers.

We are not required to conduct another advisory vote on the frequency of a “say on pay” vote until 2025.

At present, we have three Named Executive Officers. We believe that their base compensation is reasonable based upon their experience, the size of the Company and the Company's annual revenues. As described under the heading "Employment Contracts and Termination of Employment", our President and Chief Executive Officer is entitled to bonus compensation, in addition to his base compensation which is, in part, derived from formulae applied to our financial performance and, in part, discretionary. Bonus compensation for our other Named Executive Officers is purely discretionary with the Board of Directors and will be awarded based upon the Company's performance and the individual's contribution to such performance.

We do not have separate retirement plans or benefits for our Named Executive Officers. They are participants in the Company's ESOP and may participate in our 401(k) plan. In addition, they receive periodic awards of stock options. Our Named Executive Officers also participate in Company-sponsored group benefit plans available to all employees. The details are under the heading "Compensation of Executive Officers."

The advisory vote on executive compensation solicited by this proposal is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers which we believe is appropriate and fair to both the Company and its executives.

As provided by the say-on-pay rules, we are asking you to vote on the adoption of the following resolution:

RESOLVED, that the shareholders of Espey Mfg. & Electronics Corp. approve, on an advisory basis, the compensation of the Company's Named Executive Officers, as disclosed, pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission, in the Company's proxy statement for the 2022 annual meeting of shareholders.

Proxies will be voted in favor of the resolution unless shareholders specify otherwise in their proxies and except for broker non-votes. The affirmative vote of at least a majority of the voting power of the shares present, in person or by proxy, and entitled to vote (excluding broker non-votes) is required for approval of the proposal. As an advisory vote, this proposal is non-binding. However, our Compensation Committee and the Board of Directors will consider the outcome of the vote when making future compensation decisions for our Named Executive Officers.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ADOPTION OF THE RESOLUTION.**

Total	<u>\$125,150</u>	<u>\$106,150</u>
